

## **COMPLETE WINDOW SYSTEMS 'HERITAGE' WINDOWS DETAILS & SPECIFICATION.**

### **'HERITAGE' WINDOW OVERVIEW.**

- All frames are maintenance free white painted Aluminium (guaranteed 10 years).
- All locking system is the High Security Stealth Locking with Art Deco handles.
- Frame sizes are almost identical to the 'Crittall' range of windows making replacements very easy to do without the dramatic cost of 'Crittall' windows
- All Double glazed with Pilkington Soft Coat Low 'E', warm edge spacer bars and ARGON gas filled sealed units. Toughened as and where required. (The best sealed units on the market today).
- Excellent site lines in keeping with 'Crittall' windows.
- All designs available to match those of 'Crittall' windows.
- All windows are fully FENSA certificated and compliant to Current Document 'L' of Building Regulations October 2010.
- All windows are internally glazed for ease of maintenance over the years. This also gives excellent security with no access to the glazing from the outside.
- Our 'HERITAGE' windows are available in a choice of colours including dual colour. I.e. Black out with White in.
- The slim line depth of 47mm means that the 'HERITAGE' windows will fit into any 'Crittall' window situation giving greatly improved Security and insulation.
- Unlike 'Crittall' windows our 'HERITAGE' windows need no painting at all throughout their life, just regular cleaning and hinges etc oiled once a year.
- Probably the best choice you will ever make.
